Buckingham palace, AIHRC, ICC, African Union, Russia, Georgia, Paul mcCartney,

Kenya...

I notice that you will proceed against warcrimes committed in Kenya, yourself.

In Kenya.

To the example of the Statute of Rome.

Good!

Because ICC still ignores me.

What proves that this courtsystem refuses to implement its own

Rules of Court...and the Statute of Rome.

I have difficulties getting emails through to Columbia...etc...

Please use your communication-lines.

I have linked your new AU-website on www.newlegalframe.com

I admire the Egyptian-people!

Many of the 1 million-march-protestors are hungry, have no job, house.. or lost everything due to plunder.

Despite this situation they managed to stay calm...and behave wisely.

This will bring more peace to Earth.

They have 'Silenced our Fascist-parliament Rutte-Wilders-Verhagen'.

Thank you, Egyptian-people...

Thank you so much...I needed this.

Paul mcCartney,

Do you still believe you are a Saint?

I want you to do as I asked you for Worldpeace.

Apologize to me and Queen Elisabeth for the way you handled me.

Pay me a 2 million euro payment for the damage you caused me.

And promise to donate 2 million euro in the ICC-victimfund, but only after ICC has proven to be a fair courtsystem...for All of Us.

If you don't.... there will be 2 exits:

1. You die...and your rotten family has to live with the consequences.

2. You go to ICC-prison...and your rotten family....

When you are civilized to me, I will be civilized to you!
