EF SF -Kalin Anev- , Buitenhof, KPMG - Wouter Bos -, Secret services,

| <http://www.vpro.nl/programma/buitenhof/>

The way the NL-media talks about the financial crisis and how political parties respond to it, will result in a bigger disaster for NL & EU.

EF SF, as you know only newspaper Trouw gives me the opportunity to publish a small part of the truth about the International Criminal Court on their site.

And I am permitted to publish small solutions for the housingmarket as well...or to talk about the indifferent behavior of the Young adults in NL...

But, when I explain 'how NL-journalists increase the economical & war-hel of EU', they boycott me.

All other media boycott me, which is arranged a long time ago by Paul Witteman - Buitenhof -. When you read my NL-file on my ICC-lawcase against NL you notice that I informed Buitenhof tv Paul Witteman personally.

He ignored me, with a good laugh on his face.

He also made sure that other journalists laugh at me...and torture me...and the NL-people...

The fact that the NL- media ingores the ICC-corruption has already led to a situation completely out of controle.

Russia for example. All political parties in RU read my website for years.

They take over the NL-economy in a way thats dangerous for NL.

Of course, its fine with me if RU closes a deal with Rotterdam Mainport for 700 million euro.

But the fact that VNO-NCW Wientjes refuses to admit that RU also anchors its military-base by doing is, is the dangerous part.

I think you understand what I mean = NL must know the truth about ICC, if not...we lose NL to a mafia-like economy.

Its absolutely useless for me to email the media...or KPMG or VNO-NCW...because they have build a hatred-wall against me.

I believe that EFSF must undertake steps to protect NL & EU....

You must stop ICC!

ICC must be closed temporarily, cleaned up = all prosecutors, registrars & judges need to be replaced...

and ICC must produce legally valid procedures for individuals, groups and criminals brought to ICC by UN...

before Israel starts a nuclear war.

The mean problem is that South-Korea is in charge of all acts of ICC: ICC-president, Ban Kimoon and war between South- & North-Korea ...and Russia.... on nuclearweapons.

I'd better not email the Italian secret service, don't I?

Or, the Israelian Mossad...who reads my sites weekly...

And... I don't have enough knowledge on financials.

CPB Coen Teulings knows who I am, but he refuses to use the Torture-treaty to protect NL.

So is the Algemene Rekenkamer....

**When is somebody going to assist me; its already far too late!
ICC enjoys to start new wars...together with Nato!**

Tiny Kox of SP is a 100% dictator, he wants the International Criminal Court to torture & kill EU-civilians on request

of EU-politicians.

I am one of the victims who is being tortured & manipulated into death by ICC-prosecutors & judges.

He is 1 of the 225 murderers who have NL-ers killed because he refuses to admit the the Dutch supreme court & ICC are 100% partial & corrupt to NL-politics.
