you will find a letter I received from the NL-Bar Association today.
 They ignore the fact that they have to use the Torture-treaty in order to stop their own criminal acts
 as described in my letters of 5 & 18 december2011.

Their excuse is: We don't judge on files already in courtroom, which is a criminal act.

Because, 'When a file is in courtroom... and procecutors, judges or one of their own registared lawyers
 appears to be a (war) criminal,
 the Bar Association is legally obliged to remove this persons from the file/trial and remove the lawyer
 from the Bar.

**Secret services must accept that the addressed person in my letter - Bar Association & single
 lawyers - are free to torture & kill people.
 And they collaborate with criminal prosecutors, judges, courtssystem... and worse of all the
 International Criminal Court.**

**You must put mevrouw S.L.Barendregt of the NL-Bar Association on the list of
 terrorist-supects too!
 She has written the letter.**

Advocatenorde wil terrorisme in NL, EU & Wereldwijd.

Brief van Advocatenorde bewijst dat Advocatenorde een terroristische organisatie is.
 zij weigeren mijn breiven van 5 & 18 demceber 2011 inhoudelijk en juridisch correct af te handelen.

U moet zelf even de brief roteren op uw beeldscherm omdat mijn scanner dit niet kan.

Advocatenorde kiest ervoor om Hollanders te folteren & doden...
 en om advocaten schuldig aan misdrijven tegen de menselijkheid in hun machtige positie te houden.

Advocatenorde weigert om mensenrechtenverdragen toe te passen bij het in ontvangst nemen van
 klachten,
 verzint verhalen over 'het waarom zij een klacht niet in behandeling kunnen nemen'... en weigert hun
 criminele samenwerking
 met het OM, rechters, rechtbanken & Internationaal Strafhof te stoppen.

Het interesseert the Advocatenorde niets dat echte terroristen mijn websites vol bewijsstukken lezen.
