**OHCHR - Navi Pillay-**,

**UN Security council - China, France, Gabon, Japan, Lebanon, Mexico, Russia, Uganda- ,**

**The International Criminal Court is in hands of terrorist.**

FBI, Interpol and Secret Intelligence Services of countries mentioned below, are now investigating on it.

NL-president Mark Rutte has given ICC instructions to torture & kill me, because they  
- Balkenende, Rutte, Verhagen, Opstelten & ICC-employees - don't want an ICC-lawcase against NL.

### **Terrorists can NOT be brought to court in NL anymore!**

When terrorists place a bomb - and get arrested - they can say in front of the Dutch Supreme Court:  
'we know that DSC refuses to start lawcases against the President of NL & MPs;  
we know that ICC tortures & kills victims who start a lawcase against NL within the ICC;  
we know that EU & UN want ICC to keep EU-leaders above the law and to kill the victim who are lawless;  
We know who Desiree Stokkel is = she's the victim who must die for the corruption between DSC and NL-politicians'.

**When terrorists say this in the media, they walk free.**

Al Qaida is aware of whats going on in NL & ICC.  
Thats why they attack EU.

**Yemen, Greece, Australia, Germany, Ireland, New Zealand, Norway, Russia, Saudi Arabia, South africa, Sweden, UK, Scotland,**

**You - and other Secret Intelligence offices - receive the same email I sent to the Danish secret intelligence PET, today.**

### **Danish secret Intelligence,**

[www.shl.dk](http://www.shl.dk) builds the new Int.Criminal Court in The Hague in NL.

Perhaps they have already informed you on the fact that **ICC-prosecutor mr Luis Moreno Ocampo is a murderer.**

**He tortures & kills victims who start a lawcase against their own supreme court & national politicians...on request of those criminal politicians.**

I am a victim he tries to kill.

FBI & Interpol are already working on it, although Secr. Gen Ronald K. Noble of Interpol is a Greek = lazy & corrupt.

**On [www.desireestokkel.nl](http://www.desireestokkel.nl) you'll read the letter of 7oct2010** in the right table I received from ICC; this proves that they don't investigate professionally...and want me to be killed by NL-criminals in my private life.

Read my letter of 15 oct2010 to ICC, FBI, Interpol & Buckingham palace.

When the President of ICC refuses to investigate on ICC-prosecutor mr Luis Moreno Ocampo, this proves that he operates like a terrorist...too.

**Go to President's office** on my site.

Letters of EU & UN, who want ICC to torture & kill victims on their request.

**Al Qaida knows very well who I am.**

They attack EU, because EU-leaders are above the law.

In Afghanistan many people have been killed because of the fact ICC is corrupt.

Turkey understands this very well.

So does Iran.

**David Cameron proves to be a low-intelligent president of the UK.**

He can't accept Evolution & Evaluation = he refuses to implement the truth about ICC in his security-policies.

**Angela Merkel** of Germany starts to talk like a fascist, to the example of PVV Geert Wilders.

She causes terrorism in EU too, now she refuses to stop warcrimes taking place within ICC itself.

**ICC is a court in hands of mass-murderers!**

**I don't know yet..if there's a connection with Al Qaida.**

SHL-architects have to make their own decisions, but they take sides for murderers...against the victims.

**2 December2010** I shall write another letter to the ICC-president & pre-chamber-judge, when they have ignored my letter of 15 oct2010.

Then shall I move on to the Terrorism-treaty...and explain to them that they operate like terrorists, according to this treaty. This letter will be sent to FBI & Interpol.

**I need your assistance!****I can't stop terrorism-maker NL-parliament & ICC.**

Neither can I stop EU José Manuel Barroso, EU Herman Van Rompuy [www.COE.int](http://www.COE.int).  
or EU-Justice commissioner Viviane Reding, who all want ICC to stay a Lobby & Assassination-centre  
for their personal plans.

UN Ban Kimoon is in charge of warcrimes committed by ICC-employees.

**NL-president Rutte, Ministers Verhagen& Opstelten...and Geert Wilders have organized  
within ICC that the prosecutor refuses to protect me...against crimes against humanity  
caused in my life by the Dutch supreme court. Middle-table on my site.**

I can't stop war; I am still the only one in NL who can stop the fascist-parliament Rutte.

**Media prefers bomb-attacks above telling people the truth about ICC.**
