## Open Brief / Open Letter

### - **No Landmines UK** -

4th floor, charles house, 375 kensington high street london W14 8QH

**International Criminal Court is guilty of violation of Human Rights itself.  
United Nations & European Union refuse to investigate on acts of ICC.**

**27 september 2008**

#### **No Landmines,**

When you want to stay in business - without people working in the field falling death - you have to turn ICC into a court of law. I can't do it all by myself!

Hereby a few of my letters signed, the rest on CD.

Fax these letters to ICC, HCSS & Clingendael.

Make them work! Publish the results on your website. Thus, publish letters like I do.

O...and I do Love Paul McCartney....

But I have to stop his war-makers-activities in my life, file & ICC.

First I put him in prison, afterwards I Love him.

Please email or write me.

#### **Have an inspiring day,**
