President Sang- HyunSong & UN Ban kimoon,

Wikileaks, Laywers Zegveld, Knoops & Weski,

President Dmitry Medvedev, PM Vladimir Putin, President Mikheil Saakashvili, Buckingham palace,

Sang-Hyun Song & Ban Kimoon, you are both guilty of torture on my body.

And you try to murder me.

You refuse to handle my ICC-file as an official lawcase against NL, because you are corrupt & partial.

And you refuse to implement & conduct human right treaties for EU-civilians.
