P. van Slooten, Security Services, ICC,

P. van Slooten, U stuur mij een smerige email = u negeert de inhoud van mijn email, welke ik hieronder heb geplakt.

U werkt voor het Bestuur van de Universiteit van Leiden.

Het Bestuur van de Universiteit van Leiden weigert dus Professoren Liesbeth Zegveld & Rob deWijk die schuldig zijn aan actief meewerken aan Misdrijven tegen de Menselijkheid bij de Hoge Raad en Internationaal Strafhof

& het veroorzaken van Terrorisme te ontslaan?

Ik zal het doorgeven aan de FBI aan andere Veiligheidsdiensten.

Security Services,

Today I show you HOW the Boardmembers of the University actively participate in Crimes against Humanity committed by Professors Liesbeth Zegveld & Rob de wijk, who work for Leiden-university.

Boardmembers have acces to hightech software.

Yesterday Iforwarded an email to P. van Slooten on terrorism acts of their Professors and Queen Beatrix.

Today i receive an empty email with only the title NO mails please!

When I try to forward this email of the University Leiden to you, I discover that the header is gone.

I can't see at - which time on which system - that Slooten-email was sent to me.

Well, I am not going to accept that the NL-universities are terrorism-organisations, so I write this email to you.

All Secret Services can check out this dirty practice of the Boardmembers of University Leiden.

I strongly advice you to put them on a list for terrorism-suspects.

Bestuur & raad van Toezicht Universiteit van Leiden & Utrecht, Advocatenorde,

Zowel Professor Geert-Jan Knoops, Liesbeth Zegveld & Rob de Wijk moeten worden ontslagen omdat zij het Internationaal Strafhof actief helpen bij het folteren van NL-ers die rechtzaken starten tegen NL bij het ICC.

Ook willen zij Al Qaida terrorisme- aanslagen in NL.

Zij blijven liegen over de afbraak van de nationale veiligheid in NL veroorzaakt door ICC en Koninklijke familie, en.. de Raad van State... benoeming Donner.

Media in Oman,

Will you please inform other media & civilians in Oman - and other countries - about the dangerous terrorism situation the Dutch Royal Family wants in NL?

Al Qaida has announced terrorism-attacks for Christmass, but both Politicians & Royal Family laugh about it:

'It will blow over'.

Al Qaida has taken NL-ers hostage in Africa.

Oman,

I know Queen Beatrix wants to visit you in 2012, but its wisher to ignore her and deny her acces to Oman.

She wants Al Qaida to attack NL- Amsterdam on Christmass, this year.

Queen Elisabeth, Kuwait,

Will you do the job for me?

All UK-airports, stations, harbours etc. need to be informed about EXTRA terrorism-danger, caused by NL.

Board-members of Schipholairport and mainport Rotterdam are highly corrupt... and they rather have terrorism-attacks

than revealing the truth about the acts of KLM- boardmember Camiel Eurlings.

Both, Donner & Eurlings are CDA.

Medvedev & Putin,

You know that I am a Future-bringer.

I have predicted each flow of Social riots & Wars over the past 3 years.

i can see the flows in the people's thinking- & behavioral-patterns.

When you put all my emails to you on a timeline, you see that i am ahead of my time at least 3 years in warzone.

You both know that I never ask for the assasination of persons;
you also know that I don't have a direct emailaddress to Al Qaida.

Of course, I email the World, so Al Qaida will receive my emails anyway.

I put you both in ICC-prison for the fact that you want ICC to be a Lobby- & Assasinationcentre.
And that you keep UN Ban Kimoon in his job... and do business with NL 'as if NL is still a State of Law'.

Today, I believe 3 persons in NL should be assasinated... Out of 225 dictators working in NL-parliament.

Donner, Verhagen & Wilders.

Today they turn the highest Administrative court of NL into a terrorism-organisation = the court that judges on Draft laws.

All our courtsystems willl be terrorism-groups.

So will the Bar-association & council for Legal aid be = they don't respond to my letter of 5dec2011.

With the approval of the NL-Royal family.

It would be good if Queen Beatrix would be assassinated too.

This whole family should be removed from Earth.

I can't remove her from the Raad van State - she's the president - or get her out of the NL-constitution.

Russia has removed the Tsars from the RU-constitution, haven't you?

I don't ask you to kill people!

But, when you would have known HOW Hitler would take over Earth... would you have killed him before or after all those wars?

Russia has killed Hitler... and has hidden his skeleton for Earth for decades.

I am really nervous, because I believe that Al Qaida has announced terrorism-attacks... and the NL-politicians want the NL-people to get injured & killed so they will stay above the law.

And Nobody discovers HOW the International Criminal Court builds terrorism in NL.

Its strange, isn't it?

I can be killed, burried in the dunes... and Nobody will ever look for me.

But when somebody feels the need to kill me, he/she automatically triggers war

= Al Qaida will discover that me website goes flat = Afghanistan will know first, Syria... etc..

Medvedev & Putin, we would never have all those crisis today, when you would have removed Ban Kimoon from the UN in 2008/2009 beased on the letter he sent to me that proves that he wants ICC to be a Hitlercourt.

Mikhail Prokhorov, do you still want to be Kremlin-president?

Love hurst... Are you married.. or so ... ?
