African Union,

There appears to be an 'black-list' with names of warlords/suspects/dictators who are to be brought to ICC-courtroom..., on command of the UN....

This list was mentioned by former UN Kofi Annan-advisor Patrick Cammaert, on tv in a VPRO-program on ISAF-soldiers.

He only said 1 sentence, like : 'warlords on the list for ICC'.

I can't find this list.

But its of utmost importance for Earth!
