Cuba becomes an island of Republic Netherlands.

**ICC Prosecutor Fatou Bensouda, ICC President Silvia Fernández de Gurmendi ,
UN Secretary Antonio Guterres, Dictator Mark Rutte, Embassadors,**

Cuba,

As your InterimPrimeMinister – Désirée Elisabeth Stokkel for Holland – I offer the island Cuba to become the State of law Republic Netherlands.

Obligations for the people of Cuba:

1. The people of Cuba must live & work on Cuba.
They will get a NL-ID-card. Not a full NL- passport.
2. The people of Cuba may not move the Republic Netherlands for a period of 10 years.
3. The synchronization of the Cuba-economy with the Republic-NL- economy will start from 1january2020 on. In Holland, we first need to cut away about 30% of our redundant bureaucracy = money pit.
4. The synchronization of the Cuba-economy with the Republic-NL-economy must be completed on 1january2025. Holland needs time to make 2 economies profitable, next to eachother.

The people of Cuba vote in favour of becoming a residence for Republic Netherlands on the island Cuba, by Referendum.

Cuba will become Republic Netherlands... from the day the Electoral Council of Cuba makes the Referendum-results officially public.

51% of the adult population of Cuba – from the age of 18 years old – must vote in favour for a live as Dutch inhabitant of Republic Netherlands on the island Cuba.

Cuba wants to be a Dutch island:

I don't know if I – InterimPrimeMinister for Holland – still will be IPM on the day the Electoral Council of Cuba makes the Referendum-result officially public.

If I am not, we have completed the Election for the Elected PrimeMinister in Netherlands and I will have appointed the PrimeMinister for Republic NL is his or her labourcontract. There will always be a PrimeMinister who is prepared to sign the official document with which Cuba turns into an island for Republic Netherlands.

I am looking forward to your Cuba-NL-Referendum.
