Armenia & Azerbaijan, Secretservices,

I strongly advice you NOT to start a war.

The InternationalCriminal Court wants war Worldwar 3.

Alqaida knows this.

What will happen is that 'angry people - who watch tv - suddenly get cracy and start to fight too'.

Armenia & Azerbaijan will get more war then they wanted in the first place.

People who are angry about the fact that ICC refuses to start an lawcase against the Kremlin & Whitehouse, will start war everywhere on Earth.

You can't stop the war anymore if you start one.
Both countries will be broken down.

I shall publish this email on www.newlegalframe.com

FBI, secretservices, ministers of foreignaffaris, soldiers in warzone, financialworld, humanright.orgs,

FBI,

I have already published the letter in which I make clear that IcC president Sang Hyun song, prosecutor FatouBensouda & registrar Silvana Arbia are the worst warcriminals on Earth on <http://www.desireestokkel.nl/>

FBI will recieve thisletter by mail too.

I wait another few days for an official ICC-letter sent to me signed by mail.
 If this letter does not arrive, I shall post my letter to you on thursday 30aug2012.

This is the end of ICC.

Did you see my video in NL-language?
 Its important that you watch it on youtube, because Syrian-refugees in NL want copy-terrorists in Syria.
