RichardLighthouse, Forensic Pathologist Frank van de Goot,

Richard, you don't need to worry about your qualifications for the TASK 'Expert Witness at ICC'.

Now , I prove that UN - Antonioguterres is one of the Head-maffia Members in the ICC-world.

I do like you to Team up with <https://www.forensischonderzoeksbureau.nl/home.html>

And, Dr.Richard Fleming <https://www.flemingmethod.com>

As a Team, you can to What you Must do.

You can also include TargetJustice.com.

Because I prove that @whitehouse = 100% guilty of Building dictatorshipNL.

And, you are legally obliged to work from the Torture-treaty.

Its the Win all Lawsuits procedure as publised on www.mequhi.com /
www.spacecourtplanet.com.

We construct the Clean-up-Team for the International Criminal Court.

I realize something else: Can it be that the NL -soldiers are being Microwave-golved by the NATO?

The NL Army does not defend its own DNA-profile and they do not Defend the State of Law NL, either.

I do publish this email on www.desireestokkel.nl Homepage 1.
