Russia,

ICC is investigating in Georgia-Russia.

Dmitri Medvedev,

You are creating more corruption within ICC!

You know very well that ICC is no longer is a legal position to prosecute & judge at all!

You behave more and more like a dictator.

You want ICC to murder EU-citizens & others ... because than you will walk free from ICC-verdicts.

Georgia,

When you don't stop ICC with the truth about that fact that ICC lies about a lawcase against NL, you cause more war.

And Georgia will get the blame for it, while its also ICC who causes this hel!

African Union,

I know a group of Egyptians want ICC to investigate on Mubarak.

Wrong!

Egypt must first bring Mubarak to an Egyptian court.

If this is not succesfull, than to an African-court.

An ICC-case against Egypt will cause more terrorism in general, worldwide.....

Why does everybody keep warlord mr Luis Moreno Ocampo in his powerful position?

The man is a murderer.
