Above listed persons:

1. Ignore the ICC-lawcase against NL per 1may2007. This is forbidden based upon the UN Charter – Torture treaty – Humanright treaties – Constitution The Netherlands – Statue of Rome. They assist the 100% criminal Judiciary council in NL, against which I started an ICC-lawcase in april2015

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/icc.rechtzaak.rechtspraak.advocatenorde.clingenda>

2. Torture – murder Dutch Civilians and Europeans.
3. Torture- murder Victims who start ICC-lawcases, in order not to be tortured – murdered and / or against their corrupt national judiciary system in their Homeland.
4. They refuse to inform the people on Earth about the ICC-lawcase against NL; refuse to make ICC operate like a fair court of law with transparent procedures, as we use in civilized nations.
5. Torture – murder Civilians in warzone and Victims of terrorism, all over the World.
6. Build BREXIT in 100% lies about the Legal Foundation for BREXIT; bring more crime / terrorism into BREXIT.
7. Have Civilians tortured – murdered for FAKE BREXIT negotiations which will result in another FAKE lifestyle & FAKE economy after BREXIT in contrast to what is being pictured to the people at the moment;
BREXIT negotiations ignore the ICC-lobby, while behind the camera & closed doors BREXIT-deals are being realized in ICC-corruption and the design for more torture – murder – terrorism – wars on Earth.

Above listed persons support the design for torture – murder by ICC-personnel and the number of persons who have already been killed by ICC-personnel; they ignore evidence that the International Criminal Court is a warcriminal-businessclub instead of a Court of Law.

In accordance with the UN-charter – Torture treaty – Human right treaties – Constitution Netherlands / BREXIT / France, the above listed persons – and all EU – Embassadors & EU- Presidents – are legally obliged:

1. To study my evidence.
2. To recognize the ICC-lawcase , I started against NL on 1may2007.
3. To recognize the Netherlands as being a 100% Dictatorship per 2june2014.
4. To recognize that I have turned the Netherlands into a Republic on 18nov2016 via the UNSG AntonioGuterres, for a regime-change without violence in NL; for the beneficial of all Europeans and Civilians on Earth.
5. To recognize me as InterimPrimeMinister for the Netherlands per 18nov2016, for a regime-change without violence in NL- EU – ICC – UN.
6. To recognize the fact that all EU–Embassadors & EU–Presidents keep ICC a murder-weapon in their hands; ICC is internationally famous for being a racial manipulative FAKE court-system.
7. To recognize the legal fact that the International Criminal Court is an institute where victims and other human beings are being forced to have themselves tortured-murdered, by ICC – personnel. With the approval of the EU – UN – Nato.
8. To recognize that both, the former UNSG Bankimoon and now UNSG Antonioguterres support the criminal methods of work of the ICC-personnel.

9. To build New Legal Frameworks with the aim to stop Dictatorship NL and Dictatorships EU – UN. To make the United Nations and European Union stop Dictatorship NL and ICC-killings. To clean up UN & EU and make the EU operate in accordance with the UN Charter – Torture treaty – Humanright treaties.
10. To make the International Criminal Court operate like a fair court of law.
11. To clean up Nato and make Nato operate as an Institute that implements & conducts the UN charter – Torture-treaty – Human right treaties – Statute of Rome for ICC legally correct.
12. To clean up WARZONES on Planet Earth, possible thanks to the clean up processes to be completed in accordance with your legal obligations listed above.

Not one of the persons against whom I start an ICC-lawcase is prepared to operate legally correct, which results in carefully organized terrorism-attacks in Europe – Worldwide.
