UN Secretary Antonio Guterres, Dictator Mark Rutte, Presidents, Embassadors,**

**ICC,**

**ICC still refuses to explain to the people that I started an ICC-lawcase against NL  
on 1 may 2007.**

**ICC-prosecutors are being exposed Online 'as being corrupt persons who lie – and  
accept money – in exchange for keeping criminals out of ICC-prison'.**

Why didn't ICC-prosecutor Fatou Bensouda inform the World about the fact that her son is  
being murdered in the USA? Apparently, the ICC-Bensouda-family is involved in heavy crime  
in the USA... and want the Police to remain silent about it!?

Undoubtedly with the approval of the NL-Dictator-parliament & Monarchy, now ICC is located  
in The Hague. With the half-approval of:

1. UNSG Antonio Guterres.
2. EU Donald Tusk – Jean Claude Juncker – Antonio Tajani.
3. Presidents & Embassadors against whom I started an ICC-lawcase for participating in Dictatorship NL.
4. All other war criminals against whom I started an ICC-lawcase.

Its clear: ICC wants terrorism / civil-war in Holland – EU – International.

## **I hereby start and ICCLawcase against the Commandor RobBauer of the Ministry of Defence of the Netherlands.**

**<https://www.defensie.nl/organisatie/bestuursstaf/cds>**

- CDS RobBauer ignores the ICCLawcase-letter of 9oct2017, I wrote him.
- He refuses to exercise his legal obligations towards me and the people of the Netherlands.

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/icc.lawcase.defence.commander.robbauer.soldaten.mortierongeval.9okt2017.pdf>

- He has the legal obligation – according to the Constitution NL + UN Charter + Torture treaty + Humanright treaties – to prove to the people of the Netherlands that he does not support the DictatorshipNL, but wants to operate legally correct and guarantee the people on Earth 'life in a State of Law'.
- He has the legal obligation to inform the people of Holland about the fact that there is an ICCLawcase against NL + ICCLawcase against former Commandors of the Ministry of Defence NL.
- He has the legal obligation to explain the legal construction Republic Netherlands to the people of Holland – and the World – , plus to make sure that I receive my labourcontract InterimPrimeMinister Netherlands, per 18nov2016.

**I should have been InterimPrimeMinister for Holland,  
for over 1 year now.**

**Should have given the people New Elections for the Elected PrimeMinister  
and should have removed the warcriminals  
working in the NL-parliament.**

**In stead: The Elite-murderclub in NL keeps me Online in the Hidden Criminal  
ICC-lobby... studied by criminals.  
The people are being lied at.  
They can not protect themselves against violence  
that springs from DictatorshipNL.**

**People are being forced to have themselves being tortured – murdered.  
EU – UN are playing games in the media with this horrifying situation in NL.  
Gratefull that media-makers support DictatorshipNL.**

The only thing CDS RobBauer does, is prove 'that he is a low-intelligent man with a learning-disability'.

CDS RobBauer **can't** read – write – communicate – carry responsibility for State of Law NL – build safety & security for the people – minimalize / stop conflicts.

He knows that criminal / terrorists take over NL, but is indifferent in the face of the people. Clearly, he supports violations of Fundamental Constitutionalrights.

**I hereby start an ICCLawcase against all Members of Parliament under President Markrutte III.**

**The names of these persons are listed on the supplement to this letter, signed by me.**
