**ICC-rechtszaak tegen het Ministerie van Algemene Zaken secretariaat, wegens weigeren Grondwet, Mensenrechtenverdragen toepassen en Kabinet, Parlement, Koninklijk huis & Lobbyisten helpen bij folteren & doden burgers via mijn lichaam. En wegens het bouwen van de ICC-lobby voor onschendbaarheid van NL-dictatoren.**

ICC-lawcase against the Ministry of Common Affairs-presidency for refusing to conduct the Constitution, Humanright-treaties and assisting the Dutch Cabinet, Parliament, Monarchy & Lobbyists with torturing & killing civilians via my body. And for building the ICC-lobby for impunity of the NL-dictators.

**ICC president Silvia Fernandez de Gurmendi,  
MinAZ Voorzitter, secretaris-generaal drs. P.H.A.M. (Paul) Huijts,  
Russia, China, Estonia, SaudiArabia, Kuwait.**

**I hereby start an ICC-lawcase against the Ministry of Common Affairs – presidency of The Netherlands – Sg PaulHuijts & co – for refusing to conduct the Constitution, Humanright-treaties and assisting the Dutch Cabinet, Parliament, Monarchy & Lobbyists with torturing & killing civilians via my body. And for building the ICC-lobby for impunity of the NL-dictators via my ICC-lawcase against NL.**

According to the Torture-treaty the Ministry of Common Affairs in NL has always been a dictatorclub in my life and legal file. This organisation and staff had the legal obligation over the past 8 years to help me to make former Prime Minister J.P.Balkenende & his Cabinet – Parliament – Monarchy ... and current PM MarkRutte & his Cabinet-Parliament-Monarchy conduct the Constitution for the Netherlands and Humanright-treaties legally correct.... for my body and for the people.

Over more than 8 years time I have received hatefull, insane letters of the Ministeries of The Netherlands. They prove that the Staff working for these Ministeries enjoy to make me – the people of NL – lawless. And enjoy to make us fight for fundemantel Constitutional and Human rights. They prove that NL-rulers enjoy to make the peoples' life hell and find it amusing to observe me – and the people – fighting for a normal lifestyle in the State of Law the Netherlands. This NL-dictatorclub assumes that they can't be stopped now ICC has assisted them with the realisation of the NL-dictatorclub over the past 8 years, since 1 mei2007. And even before...

The Ministry of Common Affairs ignores my letter with which I start an ICC-lawcase against PM MarkRutte, all Ministers, Secretaries, Parliamentarians and other actor of the ICC-NL-dictatorclub. They boucot my emails. This proves that NL-rulers grow in crime and violence.

## **ICC-charge against MinAz secretariaat - Min.CommonAffairs presidency**

Voorzitter, secretaris-generaal – drs. P.H.A.M. (Paul) Huijts

- Plv. secretaris-generaal – mr. dr. L. (Bart) van Poelgeest
- Directeur-generaal Rijksvoorlichtingsdienst – drs. S.A.E. Schrover
  
- Secretaris Wetenschappelijke Raad voor het Regeringsbeleid (WRR)  
dr. W. (Wendy) Asbeek Brusse
- Directeur Dienst Publiek en Communicatie – drs. E.J. (Erik) den Hoedt
- Directeur Concerncontrol – M.B. (Michiel) Prent
- Directeur Bedrijfsvoering – drs. P.W.M. (Paula) Wiegiers

### **My demands:**

**I want all above listed persons to be convicted to one year in ICC-prison for organizing and conducting torture & murder – on my body and the MH17-passengers – in cooperation with the Cabinet, Parliament, Monarchy, Judiciary Council, BarAssociation, Legal Aid Council. NPO-media-makers, KNAW, NIOD, HCSS, Clingendael, ICCT, NTCV, TheHaguesecuritydelta-lobby and other lobbyists.**

**I want each of the above listed persons to pay me a 100 euros per person per month for the damage they cause me, from 1may2007 = the day that I started an ICC-lawcase against the Netherlands. According to the NL-constitution, HR-treaties and Torture-treaty is was forbidden for them to continue to communicate with former PM J.P.Balkenende & co – and later PM M.Rutte & co – from 1may207 on; listed persons ignore this legal obligation.**

In the media is announced that our NL-intelligence service MIVD wants NL to see China as our enemy. I know that NL misuses Nato – Baltics for starting wars, because they want to put the blame on Putin - Kremlin for all that goes wrong in NL.

**According to the Torture-treaty I am entitled to the labourcontract of Prime Minister of the Kingdom the Netherlands. The Min.CommonAffairs – PaulHuijts & co – have no intention to give me this contract = they want me to fight for this right = they want a civil war in Europe. They are insane. They start wars for fun...**

I do want this labourcontract for PM of NL.

Than I will rule by decree the implementation and conduct of the new Constitution for the Republic Netherlands.

I want new elections for the parliament – an elected Prime Minister & vice-President for NL and 225 newly elected politicians who do conduct that Constitution and HR-treaties –.

After this election I want to hand over my task as PM for NL to the newly elected President.

### **ICC is a giga- warmaker internationally.**

**Due to ICC-NL-DICTATORCLUB-corruption Terrorists – Criminals have grown in number and violence all over the World.**

Current statemembers of the Statute of Rome, the UN or EU have refused to help me turn ICC into a fair courtsystem to stop wars with.

I need Russia – China – Estonia – SaudiArabia – Kuwait to help me remove the ICC-staff before they can achieve wars against Russia – Estonia – China from NL.

I want you to become a member of the Statute of Rome, in order to help me stop the wars ICC-staff organize.

**I want you to supply following new Staff-members for ICC:**

- Russia ICC-president
- SaudiArabia ICC -vice-president
- China ICC-prosecutor
- Kuwait ICC-assembly statemembers – president

All new ICC-staff members must be young persons, age between 21 and 40 years.

They must have a University degree in Law or Economics.  
They must be able to prove to the people of Planet Earth that they did study Law or Economics.  
They must be independent from the UN-EU-lobby, internationally.

They must be prepared to conduct the UN-treaty, Humanright-treaties and my NL-Constitution for Republic Netherlands, legally correct.

They must be prepared to take the Torture-treaty to clean up ICC from the inside out  
= remove all staff that supports the ICC-NL-dictatorclub.

They must be prepared to clean up the NL-dictatorclub in Holland-bureaucracy.

They must be prepared to make ICC operate like a fair Courtsystem.

When they work with the UN-treaty legally correct, every single person on Earth is forced to make their own Home-government open a High court or Constitutional Court for Crimes against Humanity or Warcrimes in their Homeland.

Only when an Individual can't make a local government work with National Courts of Law, that individual is obliged to start an ICC-lawcase.

ICC rules for individuals first...and the UN-dictatorclub second.

With this method of work, the UN and EU will start to work legally correct, as they are suppose to do, what will slow down terrorists – criminals internationally.

Each UN-members will open National Courts of law for Crimes against Humanity or Warcrimes. Which is good; every country must bring their own criminals to justice.

The peoples' laziness regarding 'building Courts of Law in their Homeland' must be removed from Earth.

Nowadays 'people are too laze to stop wars with Courts of Law'; somebody must force them to start to live more intelligently and legally correct at home.

Besides, ICC being a NL-dictatorclub, generates more human-traffickers, refugees, drugsbarons, and violent rebelgroups internationally. This must stop.

Thus?

I want the Torture-treaty to be put next to the Statute of Rome – and UN-treaty – in order to stop wars. And to prevent NL from starting wars against Russia and China.

- Estonia, I want you to give me the Minister Cyberspace for the Baltics.

**According to the Torture-treaty its forbidden to communicatie with persons against whom I started an ICC-lawcase since 1may2007. For ICC-staff its always forbidden to communicate with persons against whom an ICC-lawcase is started, according to Humanright-treaties and UN-treaty.**
