**What are you going to do about the fact that the International Criminal Court will put you in ICC-prison for the Georgia-Russia war?**

This is how the system works!

ICC wil not put Dmitri Medvedev in prison, simple because he's more powerful in EU & UN.

The war-investigation ICC undertakes has nothing to do with truth-findings or conflict-ending.

Prosecutor mr Luis Moreno Ocampo & Co don't work with Human Right-treaties at all during their investigations. ICC-employees ignore all their individual legal obligations ...and make up political stories in order to put somebody in ICC-prison. Or...to keep some politicians above the law.

The Kremlin is now misusing my ICC-case against NL, for thei new Russian business-contracts in NL. Medvedev has me tortured & murdered by ICC-employees...for his freedom.

O yes, he reads my website frequently....

And makes new laws for Russia, but he refuses to stop war-criminal EU-leaders.

**Saakashvili....**

There something else going on.

The fact that your wife is Dutch, doesn't keep you out of ICC-prison.

Becasue the Georgia-Russia case must hide the fact that ICC refuses to start a trial against NL.

The Dutch royal family are war-criminals, in history and today.

ICC is not going to reveal this truth to the world, so Georgia must suffer for it.

I only write this, because I want ICC to be a fair court-system.

Not to put 'warcriminals in ICC-prison for political-games'.

Thus! When you started the Georgia-genocide, you must be put in ICC-prison.

But only after ICC has judges on my lawcase against NL.

When Medvedev has started the Georgia-war, he must be put in ICC-prison too.

Only after former NL-president J.P. Balkenende & co are put in ICC-prison.

**What to do?**

You must expkain to your people that ICC is corrupt...and refuses to put Balkenende in prison.

I know...Sandra Roelof....NL....

She isn't exactly smart! She should have known better, with all her acces to NL-laws & treaties.

Should have communicated more wisely with law in her hands, in order to anticipate on the outbreak of the Georgia-war. *Stomme Koe!*

Think simple: 'your life or Balkenende'?

ICC is very much in favour of Balkenende & co...as free men...outside prison... and many tortured & sneakily murdered Europeans.

### **African Union,**

ICC will continue to put 'Black AU-dictators in prison', because you don't stop ICC-employees.

The fact that you protest on your websites or in parliament...or in the media...is not sufficiently enough to keep you out of prison.

I know...many of you belong in prison...  
So do many politicians in Europe.

### **And you - African Union - are too stupid to comprehend 'how EU-leaders manipulate you into ICC-prison'.**

African want to have it all...for free.  
AU-leaders want to have the identical lifestyle as EU-leaders, while your people are too poor, jobless...angry.

AU-leaders want EU-leaders to donate money for a better life in AU, but large parts of that money never reach the people in need. Its for the position of the AU-leaders.  
We have development aid = Blackmail-aid.

EU-leaders don't care for the AU-people; they care for their image in the media.  
And for their materialism.

### **Thus?**

EU-leaders give AU-leaders money for their political careers.  
Its easier for EU-leaders to break down AU-leaders, when they keep their own AY-people oppressed.

Then EU-leaders can say:  
'We have given aid to AU, but it doesn't increase the standard of living; its wasted money. AU-leaders must be punished'.

This is only meant 'to make themselves more powerful in NL & EU'.

When they have to put AU-leaders in ICC-prison...for the maintenance of their own political career, they will.  
EU-leaders suggest that they want AU to have a better standard of living, so they make a few of you AU-leaders more powerful.

Behind the back of these AU-leaders they close deals on  
'which AU-leader to be put in ICC-prison, in order to draw away the attention of the criminal behavior of EU-leaders'.

They start brain-wash programs on the EU-people. And they buy it!  
Europeans also believe that AU-leaders only want EU-money for their personal wealthy lifestyle.

At the cost of EU-lives!

### **Europeans live in hell too.**

**And you- Africans - refuse to acknowledge this.**

**You never do something in return = you never try to rescue lives of Europeans.**

As long as you don't do anything at all to rescue my life from the warcriminals who work for ICC, African Leaders will be put in ICC-prison ...by EU-leaders...and criminal ICC-employees. With the approval of UN.

Because you prove 'that AU-leaders are too stupid to play the EU-power-games with EU-leaders'.

**As long as you don't expose the criminal behavior of EU-leaders, it will always be AU-leaders in ICC-prison.**

**So, you pay with your life in prison...when you close business-deals deals with Balkende & co...and Rutte & co ..in NL.**

**What will it be?**

Are you going to ICC-prison on request of EU-leaders... because you accept their money?

Or are you going to work in equality = stop the warcrimes of EU-leaders with law, treaties & legally valid evidence in your hands...?

AU must withdraw from the State of Rome, collectively...  
Untill Balkenende & co has been put in ICC-prison.

When you don't want to do this....the future will be like history.

EU puts AU in ICC-prison; you will always be too weak to stop this process.  
Russia supports EU.
