Downingstreet 10 & Royal Family UK,

You have to stop war-crimes taking place within the International Criminal Court, whether you like it or not.

I do understand 'that you can't respond to all my emails within 24 hours'.

But, we are running out of time.

Its already too late in war-zone.

Because I want to make NLFschool.com a free-available Web-lawschool for ALL civilizations, I opened a new Tab for Prince William & Harry.

Read www.nlfschool.com.

If you want me to remove 'the Young men', I will.

But I strongly advice you to work with me, in stead of the parliament Balkenende.

It would be nice if William & Harry can respond on my NLFschool.com from the website of the Royal Family.

By doing so, we pass by the media... and educate half Afghanistan/Pakistan, Middle-East, Africa...

I publish this email on my school-site.

Looking forward to your respons,
