From 23april2018 on, both MikhailProkhorov & KseniaSobchak are a 100% in charge of the full Kremlin-system, next to me as InterimPrimeMinister for Russia.

This is a legally valid construction, caused by Putin - Medvedev - Lavrov - Shulgin, all together.

Since, I prove that Putin & co refuse to conduct the UNcharter - Torturetreaty - HRTreaties inside the InternationalCriminalCourt + UN + EU + Holland, Putin has lost access to these rights.

That is when MikhailProkhorov & KseniaSobchak meet a few condicions in their 24/7 communications. In every nano-second of all communications!

They publicly - and in ALL official documents they do recognize

- the ICCLawcaseNL
- ICCLawcase against Putin - Medvedev - Lavrov - Putin
- ICCLawcase against Nato-politicians
- ICCLawcase against All Presidents/ Embassadors for the legal fact that they refuse to stop DictatorshipNL and build RepublicNL publicly.
- ICCLawcase against UNSG AnotnioGuterres + EU-politicians.

They work in ALL official documents - communications from the Torture-treaty = to Cleanup the Kremlin based upon my evidence.

They refuse to work together with ALL persons against whom I started an ICCLawcase.

When does this Luxurious Kremlin-position end?

When they are removed from the Kremlin by the People of Russia, during official Elections.

I - IPM for RU - can't remove them! I can only make sure that they operate legally correct or punish them when they refuse to do so!

About the Settlement & Payment for the damage the Kremlin owns me...

I plan to give the full amount back to the RU-people = the poor in the Healthcare system.
This I officially written down in my letters to ICC.

But, we need to be realistic about the timelines.
This Settlement & Payment for Damage = part of the ICClawcaseNL.
I have run it via the Municipal Bloemendaal where I residence + NL Taxoffice + ICC.

I have pay tax over it and pay my livelihood from it.
I am entitled to the Labourcontract InterimPrimeMinister in Holland, from 18nov2016 on.
But, the NL Ministries of CommonAffairs - ForeignAffairs - Justice - SocialAffairs prefer a Civilwar in NL.

Nowadays we have weelky gun-shootings in the country.
A Civilwar is 100% realistic, now Bankmanagers are set Free to Murder. In co-work with the
Mayor & Elderman + District politicians + 4 Commandors of the DefenceMinistry + Head of Police
+ All Professors + All Laywers + many Boardmembers of Businesses.

Next to the MPs & co + All Reporters + All Vips who terrorise the media + King/Queen & co.

I sincerely hope that I will not be killed before I have my IPM labourcontract, because I have earned trust in the Criminel world & Warzone. When i am death, there is Nobody left who can stop the Corupt Judges + Prosecutors + ICC.

Thus? I do want to hire a Cameracrew to travel through Russia with, searching for Healtcare problems that need money.
I do want to turn this into a TV-serie, to make money with. Which I will largely re-invest in the RU-healthcare, to repay 4 millioen Euro back to the RU-people.

Conclusion! I have to work very hard for my Settlement & Payment for the Damage.

This move of my deepest Myself = Future-proof. (And, thats Who I am... The sucesor of GeorgeOrwell, bigBrother is watching you....)

**Alle UN-memberstates + EU + everybody must stop the Hatred-campaign against Russia,
now Mikhail & Ksenia are the Supervisor of Putin & co.**

It over....

I have always said it.... : ' I am not afraid of Putin'.

Next week, All Russian citizens 'know hat has changed'.
