## Open Brief / Open Letter

to

- [Kremlin.ru](http://Kremlin.ru) & [Iran](http://Iran) -

9 march 2009

**Dmitry Medvedev & Vladimir Putin,**

I'm angry with you....

Because you are partial to ICC & NL-parliament for economical reasons, I'm being tortured by civil servants of Bloemendaal again.... and Sudan is about to become a disaster.

**I told you: 'It will NOT do when you only refuse to talk to UN Ban Kimoon any longer':**

- **When Russia would have told the truth tot he World about ICC & NL a year ago, the Israel-Gaza-war would not have started or would have been less damaging**
- **Israel would not have announced a new war with Iran, tank-station Turkeye**
- **Interpol would have been a trustworthy Int. Police-corps**
- **Hillary Clinton would not have asked NL to organize an Afghanistan-top, which can only cause more hatred in Kabul & Uruzgan**
- **Sudan Al-Bashir would have had a fair trail within ICC; so would all others now in ICC-prison.  
Sudan would not have sent away NGOs from, because they are partial to ICC.**
- **UN Ban Kimoon would have left office by now, and would have been replaced by a more professional UN Gen.Secretary**

Medvedev & Putin... you have made Russia more vulnerable for disasters!

### IRAN

**Its a simple job 'to stop Israel'.**

**You know you will loose materials & people when Israel attacks energy-stations & weapon-depots in Iran.**

**You are not strong enough, because 'the whole World is against you', USA included.**

- **You only have to announce to the world 'that Iran will be a statemember of ICC'**
- **Explain to the World 'that you know that there is also a case against NL, since 1 may 2007' = give a press-conference & publish it on your website.**
- **Iran recognises my ICC-case: Israel doesn't.  
Israel feels 'Free as a Bird now they get away unpunished with the Gaza-war'.  
So they will continue to attack all countries, whenever they feel like it....**
- **Turkey will not get the EU-membership when they are a tank-station for Israel during a war 'that approaches EU-MPs who are above the law'.  
Turkey will end up in a violent gap, between Moslim-Lovers & moslim-Haters.**

**The longer IC has the freedom 'to torture & kill whoever they want to demolish, the more wars we will have on Earth'. Close home.**

**Have a straightforward day,**
