### Donald Ferencz,

You are personally guilty of Torture on my body, because you support the torture of ICC-employees on my body.

According to the Torture-treaty you have the legal obligation to stop the torture of ICC, in my life and in the lives of all the persons who turn to ICC for justice.

You are an official warcriminal.

Dear Ms. Stokkel:

Having been copied on your email, below, I respectfully wish to draw your attention to my father's website, [benferencz.org](http://benferencz.org), where even a brief look will clearly demonstrate that he has spent virtually an entire lifetime advocating for replacing the law of force with the force of law in worldwide affairs (an achievement for which he was recently honored by your own country's Royal Family, which bestowed the prestigious Erasmus Prize on him, along with Antonio Cassese, in 2009), and I am proud to be a small contributor to such efforts.

I believe that all those who know Judge Hans-Peter Kaul would agree that he, too, is among those who is a sincere and committed advocate of the rule of law.

My thanks to you and your broader email audience for your collective consideration of these small clarifications.

With every good wish to all - Donald Ferencz

**There is a dangerously deep-linked connection between ICC - History

 Eurocrisis-Germany 2012 - the Greek and Angry people who present

The Nurnberg-trial against Nazi's was the most famous courtcase ever.  
 USA prosecutor Benjamin Ferencz did put Nazi's in prison.

He and his son Donald Ferencz both became builders of ICC.  
They are still involved via the Lobby-platform [www.asil.org](http://www.asil.org). + The Planethoodfoundation...etc...

When in the 19-ties politicians decided that Earth needs and International Criminal Court against warcrimes, a German diplomat Hans-Peter Kaul became the negotiator for Germany.

<http://www.icc-cpi.int/Menus/ICC/Structure+of+the+Court/Presidency/The+Second+vice+President/Judge+Hans+Peter+KAUL+Germany+Second+Vice-President.htm>

He was involved in the making of the Statute of Rome.

Hans-Peter Kaul is a judge at ICC, today.

He's one of the judges that makes sure that I - a Dutch woman - can't start an ICC-lawcase against NL- & EU-politicians.

Or RU-leaders, or USA-leaders.

Its Hans-Peter-Kaul's main task 'to keep German politicians above the Law'.  
Thus, he tries to kill me....

Its Benjamin & Donald Ferencz main task to make sure that USA can be a warcriminal without fear to be punished for it.

In Greek, people call Germany 'Nazi's' -.

I don't know if there's 1 smart Greek who turned to courts - against Greek politicians - to claim human rights ... Like i do...

I don;t know if there are Greek persons who turned to ICC for fundamental Human Rights.

I don't know if the Greek call Germany 'Nazi's' out of anger only..or that they have negative corrupt experiences within court-systems against Germany.

But, i do know that the current Greek financial crisis is going to be worse, ecause ICC - IMF - Worldbank, UN - EU - Nobelpeacefoundation - only lobby for more personal power & money.

The fact that the people on Earth are unaware of the Lobby - & Assasinationpower of ICC-employees, makes that Europe can easily turn into 1 big Nazi-explosion.

than there are NO courtssystem left to stop Politicians.
