Curacao-government, Gerrit Schotte,

I believe that you must ask UK - Buckingham palace - if Curacao can become a member of the Common Wealth.

You are correct when you say 'that Curacao can no longer stay a part of NL' = NL breaks down Neth.antillen completely.

Queen Beatrix has lost her senses = she wants our NL-courtsystems to be terrorism-clubs and she triggers terrorism attacks by Al Qaida.

Queen Elisabeth, Kuwait,

Will you do the job for me?

All UK-airports, stationsm harbours etc. need to be informed about EXTRA terrorism-danger, caused by NL.

Board-members of Schipholairport and mainport Rotterdam are highly corrupt...and they rather have terrorism-attacks than revealing the truth about the acts of KLM- boardmember Camiel Eurlings.

Both, Donner & Eurlings are CDA.

Read my email below...

Medvedev & Putin,

You know that I am a Future-bringer.

I have predicted each flow of Social riots & Wars over the past 3 years.

i can see the flows in the people's thinking- & behavioral-patterns.

When you put all my emails to you on a timeline, you see that i am ahead of my time at least 3 years in warzone.

You both know that I never ask for the assasination of persons;
you also know that I don't have a direct emailaddress to Al Qaida.

Of course, I email the World, so Al Qaida will receive my emails anyway.

I put you both in ICC-prison for the fact that you want ICC to be a Lobby- & Assasinationcentre.

And that you keep UN Ban Kimoon in his job... and do business with NL 'as if NL is still a State of Law'.

Today, I believe 3 persons in NL should be assasinated... Out of 225 dictators working in NL-parliament.

Donner, Verhagen & Wilders.

Today they turn the highest Administrative court of NL into a terrorism-organisation = the court that judges on Draft laws.

**All our courtsystems willl be terrorism-groups.
So will the Bar-association & council for Legal aid be = they don't
respond to my letter of 5dec2011.**

With the approval of the NL-Royal family.

It would be good if Queen Beatrix would be assassinated too.

This whole family should be removed from Earth.

I can't remove her from the Raad van State - she's the president - or get her out of the NL-constitution.

Russia has removed the Tsaars from the RU-constitution, haven't you?

I don't ask you to kill people!

**But, when you would have known HOW Hitler would take over Earth...
would you have killed him before or after all those wars?**

Russia has killed Hitler... and has hidden his skeleton for Earth for decades.

I am really nervous, because I believe that Al Qaida has announced terrorism-attacks... and the

NL-politicians want the NL-people to get injured & killed so they will stay above the law.

And Nobody discovers HOW the International Criminal Court builds terrorism in NL.

Its strange, isn't it?

I can be killed, burried in the dunes... and Nobody will ever look for me.

But when somebody feels the need to kill me, he/she automatically triggers war = Al Qaida will discover that me website goes flat = Afghanistan will know first, Syria... etc..

Medvedev & Putin, we would never have all those crisis today, when you would have

removed Ban Kimoon from the UN in 2008/2009 beased on the letter he sent to me that proves that he wants ICC to be a Hitlercourt.

Mikhail Prokhorov, do you still want to be Kremlin-president?

Love hurst... Are you married.. or so ... ?
