**I have a BIG problem with Interpol France.**

**They refuse to make clear 'what do with the evidence that the  
Prosecutor of the  
Int.Criminal Court mr Luis Moreono Ocampo tortures me...and  
refuses to prosecute against NL'.**

I still haven't received a letter of the ICC-president or ICC-pre-  
chamber-judge on my letter of  
Objection of 15oct2010 on [www.desireestokkel.nl](http://www.desireestokkel.nl)  
They ignore me again!

Although this can/will also cause terrorism.

Its forbidden by law & treaty for a judge to ignore a file of a lawless  
person, to ignore  
the fact that I prove that the ICC-prosecutor tortures me and wants me to  
be murdered by NL-politicians..etc..'

Interpol simple doesn't care...for the break down of the national security  
caused by ICC.
