London 2012, London Police, London firebrigade, Buckingham Palace & NLF-readers,

I write you this email because I already know HOW **NL-politicians increase the risk for terrorism-danger at London 2012.**

It demands a serious thinkingpattern!

In Kunduz Afghanistan, participate the NL-police & NL-soldiers in 'torture-acts of Afghan-police'.

NL-politicians -- especially Jolande Sap of Groenlinks ...and all others - - refuse to accept that Afghan-police guilty of torture must be punished legally correct.

NL-politicians say:'We are going to train the Afghan-police very well, so the torture will be minimalized'. NL facilitates the torture-acts of the Afghan-police.

NL refuses to work with HumanRigth-treaties.

Based on the Torture-treaty NL is legally obliged to stop the torture of the Afghan-police...and Terrorists....and NL-ers

They refuse to do so.

NL-parliament also continues to ignore my ICC-lawcase against NL. Afghanistan works with this case.

Afghanistan can start a lawcase against NL based n the Torture-treaty only.

Victims of torture in Kunduz - facilitated by NL - can start a rather simple lawcase with the courtsystem in The Hague and claim a payment for the damage NL causes in Afghan Kunduz.

I believe they will succeed, because in april 2011 former victims of the Indonesia-torture WorldWar II, got a payment for the damage too.

BUT...

Our NL-courtsystems grow in corruption & crimes against Humanity from February 2012!

You know that my ICC-case is against the corruption/terrorism within the Dutch Supreme court.

We've got another High Administrative Court - called de Raad van State - that becomes a terrorism-organisation in February 2012.

Our current Minister of Internal Affairs Donner will be appointed the next Vice-president of the Raad van State.

This is a political appointment, based on political parties favourism. It's the NL-president Mark Rutte who makes the decision in the VVD, CDA & PVV Cabinet. He wants Donner.

Why?

Because I started an ICC-lawcase against Rutte & co in oktober 2010.

They try to turn NL into a bigger Dictatorship.

Next week there will be an official advertisement for the Raad-van-State-job Vice-president, but this is fake.

Half the NL-parliament is against the appointment, so is half the Raad van State-personel.

Or, half the people in NL.

This doesn't make any difference!

The courtsystem Raad van State is the organisation that advises/judges on NEW laws for NL before the NL-parliament votes on that law.

Raad van State knows about my ICC-case and is therefore legally obliged to inform the NL-people about the fact that they are informed - and that there is an ICC-case against Donner -, based on the torture-treaty. They refuse to do so.

Raad van State will accept the appointment of Donner because they have been lying about my ICC-case since 1 may 2007.

Donner will turn the advisor Raad van State on NL-law-making into a Dictatorclub = we get more NL-laws that ignore Human Right-treaties.

The people may not start lawcase against misconduct on this case within the Dutch supreme court...

NL-Law-making ...will be similar Hitler-design-law-making.... from February 2012.

PVV Geertwilders...again....

He wants Moslems to kill each other.... and he wants the Human Right-treaties removed from Earth.

He also want an Nuclear war in Iran.

When Donner is the new Vice-president of Raad van State, we get war-makers NL-laws.

Cumulate all Evil!

And it can trigger Giga-terrorism during London2012.

London firebrigade,

I turn to you because you are the first aid-workers who arrive at a place of disaster.

I also emailed MI5 & London police on the fact that the McCartneys wedding can turn into a violent terrorism-thing.

But they are closed for the weekend.

McCartney is a mentally violent monster.

It wouldn't suprise me if he himself informed the media about today's party.

I don't know if there will be an attack - or assasinaton-.

What I do know is that you need to cumulate acts.

Yesterday, a protest against war in London...

This message is received by Al qaida, Israel & Palestina.

Julian Assange was present; terrorists know about him, me & the International Criminal Court. Media, constantly lies about human rights, courtssystems etc...

McCartney who takes sides for political-warcriminals for Fame & Money;
He wants warvictims, aidworkers & soldiers & simple people ... to die for him.
This makes him feel great.

Nancy Skevel is under FBI-observation!

Especially now the USA-people protest against the greedy behavior of the rich.

McCartney exploits the poor.

Its too late for a wish, but I sure wish 'that there is NO mcCartney-wedding today'.

Media is a GIGA-problem maker in warzone.

What shall I wish for you?

I wish you a days of work in wisdom & honesty... How does this sound?

When today ends in violence, Downingstreet 10 will lie about the causes.

Tell the people the truth, for your own self-protection.

Don't lie = safety-builder.
