## Open Brief / Open Letter

### ICC can not be a court against Pirats

#### Africa,

Today, our NL-Ministry of Foreign Affairs talks about 'ICC as a court against Pirats' in NL-parliament.

Only lawyer G.J.Knoops is against it; he wants a separate tribunal in Africa itself.

#### What will happen when ICC becomes a court against Pirats?

- ICC has NO procedures for these short-term-trials.
- ICC refuses to close 'simple cases as soon as possible':  
= look what they do with my lawcase against Balkenende & co; they build the biggest war possible  
= there will be an EXPLOSION in the number of wars, even this summer in Afghan/Pakistan
- There will be more 'dirty deals between ICC, UN, EU & NATO' that will cause more war in Afghan/Pakistan/Middle-East/Africa in the near by future.

Which AU-political-leaders are on the BLACKLIST of ICC?  
Are these persons part of the Pirats-group?

- EU-leaders will be more 'above the law' than ever before.  
Africa will be blackmailed more for business-deals.

Africans start to protest against the practices of NGOs = AU want fair business, NO dictator-NGOs.

When ICC becomes a court against Pirats, NGOs will become 'more dictators, now ICC is 100% corrupt'. More aid-workers will be killed.

- NL-political-parties still don't want to know what's going on in my ICC-case against Balkenende.  
They can't read my file = they are too stupid...because they want to be stupid...

#### Africa, stepp away from ICC...
