## Open Brief / Open Letter

to

### - Mothers of Srebrenica -

**United Nations is guilty of genocide, related to the International Criminal Court in the Hague.**

**8 august 2008**

**Dear Mothers.... and relatives,**

I understand you have a difficult time proving in NL-courtroom 'that the UN in coöperation with the NL-parliament, is guilty of genocide in Srebrenica'.

I have NO evidence for your personal file, but I can prove in my lawcase with the International Criminal Court against hostcountry the Netherlands, that UN is guilty of warcrimes.

- Go to [www.desireestokkel.nl](http://www.desireestokkel.nl)
- Start from january 2008.
- Read all my letters send to ICC, EU, UN and the replies
- Go to [www.newlegalframe.com](http://www.newlegalframe.com)
- Read ICC-paper of september 2007
- Open werkboek
- Talks & Open letters 2008

Than you comprehend 'which system UN uses to torture & kill victums, in coöperation with ICC & ICJ'.

You may print all documents you can use in your file.

I believe, you have to print all letters from january 2008.

Put these in your personal file against UN & NL in the NL-courtroom.

Say to the judge:

'Another woman can prove in her lawcase against NL with ICC that the UN want the President & Prosecutors of ICC to be dictators. In her private life this means, that she has to fight against genocide conducted by the UN as well. Here is her evidence'.

This is the best I can do for you.

You may email me with questions.

**Have a zooming day,**
