## Open Brief / Open Letter

to

**- China-embassy in The Hague, NL -**

**4 april 2008**

**Dear Xue Hangin & Wen Jiabao,**

Will you do me a favour ...and place human rights activist **Hu Jia** under home-arrest for 3 years?

I need you to turn him into an EQ-educator as I described in my Open letter to China of 18 march 2008.

And, I don't comprehend why China doesn't stop all the accusations from NL, now you can prove Holland is guilty of the same crimes against humanity als China is....

You don't take the chance to rebalance EU with Asian.

**Have a nice day,**
